

Don't miss this special opportunity!

Contact me, a licensed insurance agent. I'll see if you have a chance to change or reapply for Medicaid and Chip coverage during a Special Enrollment Period.

You may be able to reapply for Medicaid or individual family health coverage during a Special Enrollment Period if:

- You lost coverage due to Medicaid Redetermination
- Lost qualifying health coverage
- You were affected by a weather related emergency or major disaster
- You moved (permanently changed your home address)
- You enrolled in or disenrolled from Extra Help or Medicaid
- You moved into, reside in, or moved out of a skilled nursing facility
- You dropped a Medigap policy when you enrolled for the first time in an Medicare Advantage plan, and who are still in a "trial period"

Contact me today to see if you're still eligible for a Special Enrollment Period.
